PATIENT INFORMATION

BEFORE YOUR APPOINTMENT

Please email your referral form to us before your appointment. If you are unable to email it, you need to bring it with you on the day. If you arrive to your appointment without a referral form, we may not be able to scan you and will have to reschedule.

VISITOR POLICY

Our support person policy is to ensure the best medical care possible for you. Therefore, you may bring a maximum of **2 support people** with you to your appointment. Children are included in that limit but must have adult supervision.

PREPARATION

Pregnancy (up to 14 weeks), Pelvis, Renal Scans – You need to arrive to your appointment with a full bladder. One hour before your appointment, empty your bladder and then drink 3-4 large glasses of water within 15 minutes. Do not empty your bladder before your scan.

Abdomen (liver/gallbladder), Abdominal Aorta Scans – Please do not eat or drink for 6 hours prior to your scan. You can have sips of water and continue to take your regular medication if required.

MOBILE PHONES AND RECORDING DEVICES

The use of phones and cameras is not permitted in our scanning rooms. Mobile phones must be switched off or put on Aeroplane Mode. We can send images and a short video recording of your scan to your phone or email for a small fee, please ask one of our receptionists about this at the time of your appointment.

PAYMENT INFORMATION

All accounts must be settled on the day of your appointment. Surcharges apply to ACC and Third Party accepted claims and some pregnancy scans. If you choose to have your scan prior to receiving approval from ACC and the claim gets declined, the private cost of the ultrasound will be billed to you.
